

there is a very ingenious contrivance for hoisting or lowering heavy articles. Three stories of this immense building are devoted exclusively to the law. The offices of McLaughlin & Root, fourth has been recently fitted up as suite of offices which are occupied as offices by some of the most prominent lawyers and capitalists in the Territory. The proprietors of this palatial building are having a magnificent iron front moulded for it, the plan of which will be the most elaborate and costly of any of architecture in the colonies to each story, which they expect to be able to put up next spring.—The excavations for the foundation of this building were made through solid rock to the depth of 27 1/2 feet on B street. The whole work from commencement to completion was carried on night and day. To make sure of safety, the workmen were provided with helmets and in the event of accidents by fire, this building has a regular fire department of its own, consisting of a powerful force-pump and about

TROCHES **PUBLIC SPEAKERS** **AND SINGERS.**

Few are aware of the importance of checking Cough or "SLIGHT COUGH" in its first stage; that which in the beginning would yield to mild remedy if neglected soon attacks the lungs. *Brown's Bronchial Troches* is a most valuable remedy, especially so at this season of the year, when Colds, Coughs, Bronchitis, Influenza, Hoarseness and Sore Throat are so prevalent. The Troches give sure and almost immediate relief. Sold by all Druggists in the United States, at 25 cents a box.

by officers. But the most important subject in his mission is the Indians: he will offer to the European of our immensely rich mining fields and agricultural lands, together with the great advantages offered by a liberal and protective government for industrial citizens.

The Subscriber, therefore, calls upon the citizens of the Free States who have the interests of our new States nearest their heart, to aid him in this arduous but laudable undertaking with means. Each subscriber will be furnished with a copy of this work, which will be useful to the teacher, the student, the professional man and miner. The author desires to state that whatever aid or subscription he may be furnished with by the people of this State he will endeavor to take out of the State, or the work, or leave the amount be taken out in books.

Respectfully submitted,
JULIUS SILVERSMITH.

nessed them superior to any other novel. The truth is, however, that the true test of their merit is found in the fact that they are eagerly reprinted, after their publication in the *Messenger* by the English press. We may add that the success of *Victory* is fully explained by the fact that it is a plot to either of those which have secured so large a share of public approval, and we can earnestly recommend it to all story readers.
